Dear Montessori Pathways School,

Thank you for your participation in the Pathway of Continuous School Improvement and your dedication to providing high-quality Montessori to your students and families. This school-quality initiative is important to the Montessori movement and we are glad you are a part of it.

Enclosed is an AMS Pathway Certificate that you can display to proclaim your school's participation in the Pathway process. We hope it can be a reminder of the commitment you have made to uphold the core components of Montessori; properly trained Montessori teachers, multi-age classrooms, use of Montessori materials, child-directed work, and uninterrupted work time.

We are grateful for your focus on quality and are excited to recognize you and all you do for your school community.

Warmly,
